Octroi

2. No Octroi duty is levied in the newly formed Municipality of Trench Rocks. The tax, which is confined to the marginally noted 5 articles, ~~is extended~~ to Sugar, ~~Ghee~~, ~~Sheep~~ and ~~Goats~~ in the towns of Attikuppa, Chennaroyapatna Nagamangala and Melkote is extended to Sugar, Ghee Sheep and Goats in the towns of Mandya and Maddur, while in the town of Seringapatam, Jaggory Butter, Oil and Building materials have also been added to the list of taxable articles. The realizations from the tax range from Rs 3400 in Seringapatam to Rs 12 in Maddur against Rs 3000 17 respectively last ye

taxable ?

With reference to the remarks made in Para 2 of the Dewan's Proceedings No. $\frac{3077\cdot 9}{125}$ dated 30th August 1883, the Sub-Division officer in his Letter No. $\frac{1425}{319}$ dated 13th March 1884 proposed to do away with the Octroi tax altogether in the towns of Attikuppa, Sreegamangala and Maddur, retaining it on the above mentioned five articles in Mandya, Shemanroyapatna and Melkote and to leave the number of articles taxed in Seringapatam undisturbed. Subsequently, on further consideration, he has recommended the abolition of the tax in Melkote also. Under these circumstances, the proposal to abolish the tax in all the Municipalities

in

in the Sub-Division except Mandya, Chennarayapatna and Seringapatam is approved. In the two former towns the octroi will be levied, on the five articles referred to, tentatively subject to the collections being carefully supervised and a report submitted at the close of the current year as regards the state of the ~~revenue~~ revenue from the tax; if the receipts do not improve, the abolition of the tax may be finally recommended. It is observed that even in the case of Seringapatam it would be advantageous to confine the tax to a limited number of productive articles.

The Sub-Division

N. 15·25· 319 D/13/3/84

Sub Division Officer's proposal to include within the municipal limits of Seringapatam the Suburb of Soobroyanhoppal, with a view to prevent the Smuggling of dutiable articles into the town, is approved. A Statement of the boundaries of this town as now altered should be submitted.

Opening balance

3. The balance on 31st March 1885. at the credit of each of the Municipalities of the Sub. Division except Seringapatam has not been entered in the Budgets. The omission has however been supplied in this office.

Expenditure Collection

4. The Sum of Rs 924 provided

provided in the current
year's Budget on account
of the Collection of Octroi
in the town of Seringapatam
bears the very high
percentage of nearly 27
on the estimated collections
and exceeds the scale fixed
in Para 3 of the late Chief
Commissioner's Proc^{g} No. $\frac{4053-64}{202}$
dated 30th October 1879 by
17 per cent. Even the
revised scale of establishment
proposed by the Sub-Division
Officer does not go far
towards the reduction of
this high percentage, and
he is therefore requested
to submit final proposals
for the revision of the tax,
as suggested in Para 2 above
and of the collection
establishment with a view to
limit

limit the expenditure to the sanctioned scale

Head office

5. Besides the usual charge of Rs 264 on account of the pay and Contingencies of a Clerk in the Vice Presidents' office at Seringapatam, a Sum of Rs 208 rateably distributed as shewn in the margin has been entered under "Head office" to meet the cost of the proposed allowance of Rs 15 and Contingent expenditure of Rs 2-5-4 per mensem, to the Clerk in charge of the Municipal work in the Sub-Division office. The provision under ~~the~~ "Head office" which accordingly amounts to Rs 472 is sanctioned.

amounting to Rs 6595 as detailed below are approved, subject to Estimates and Notifications of Sanction being ~~pass~~ submitted to this Office in the usual course.

(a) Original works Rs 3975
(b) Repairs municipal 2520
(c) Do Educational 100

Total Rs 6595

It is observed that the Budget Statement No II, which usually accompanies each Budget has not been submitted nor have details of works been entered in the Detailed Statement.

7. In the Budgets of Education Seringapatam and Mandya Rs 300 and 244 respectively have been entered on account of the English Classes proposed to be opened in towns But no Estimate

of the fees expected to be realized is given. It is observed that only $\frac{3}{4}$ths of the cost of such Classes is debitable to municipal funds, which are to be credited with fees realized in them, while the remaining $\frac{1}{4}$ is payable from Provincial funds. Accordingly provisions for $\frac{3}{4}$ of the estimated charges on account of Education will be retained in the Budgets of these Municipalities, pending the establishment of English Classes in them in due course

Dispensary charges 8 The provisions for ~~account~~ of Dispensaries made in the Budgets of Seringapatam Chennarayapatna and French Rocks are approved. A Sum of Rs 100 has been entered in this office on account of

2. RECEIPTS.—*Octroi.*—No octroi duty is levied in the newly formed Municipality of French Rocks. The tax, which is confined to the marginally noted 5 articles in the towns of Attikuppa, Channarayapatna, Nagamangala and Melkote, is extended to sugar, ghee, sheep and goats in the towns of Mandya and Maddur; while in the town of Seringapatam, jaggery, butter, oil and building materials have also been added to the list of taxable articles. The realizations from the tax range from Rs. 3 400 in Seringapatam to Rs. 12 in Maddur against Rs. 3,000 and 17 respectively last year. With reference to the remarks made in para 2 of the Dewan's Proceedings No. 3077-9—125, dated 30th August 1883 the Sub-Division officer in his letter No 1425—319, dated 13th March 1884, proposed to do away with the octroi tax altogether in the towns of Attikuppa Nagamangala and Maddur, retaining it on the

4. Tobacco
5. Cloth.

above mentioned five articles in Mandya, Channarayapatna and Melkote and to leave the number of articles taxed in Seringapatam undisturbed. Subsequently, on further consideration, he has recommended the abolition of the tax in Melkote also. Under these circumstances, the proposal to abolish the tax in all the Municipalities in the Sub-Division, except Mandya, Channarayapatna and Seringapatam, is approved. In the two former towns, the octroi will be levied tentatively on the five articles referred to, subject to the collections being carefully supervised and a report submitted at the close of the current year as regards the state of the revenue from the tax; if the receipts *do not improve, the abolition of the tax may be finally recommended. It is observed* that even in the case of Seringapatam it would be advantageous to confine the tax to a limited number of productive articles.

The Sub-Division officer's * proposal to include within the Municipal limits of Seringapatam the suburb of Subrayankoppal, with a view to prevent the smuggling of dutiable articles into the town, is approved. A statement of the boundaries of this town as now altered should be submitted for notification.

*No. 1525—319, dated 13th March 1884.

3. *Opening balance.*—The balance on 31st March 1885 at the credit of each of the Municipalities of the Sub-Division except Seringapatam, has not been entered in the budgets. The omission has however been supplied in this office.

4. EXPENDITURE.—*Collection.*—The sum of Rs. 924 provided in the current year's budget on account of the collection of octroi in the town of Seringapatam bears the very high percentage of nearly 27 on the estimated collections and exceeds the scale fixed in para 3 of the late Chief Commissioner's Proceedings No. 4053-64—202, dated 30th October 1879 by 17 per cent. Even the revised scale of establishment proposed by the Sub-Division officer does not go far towards the reduction of this high percentage, and he is therefore requested to submit final proposals for the revision of the collection establishment with a view to limit the expenditure to the sanctioned scale.

5. *Head Office.*—Besides the usual charge of Rs. 264 on account of the pay and contingencies of a Clerk in the Vice-President's office at Seringapatam, a sum of Rs. 208, rateably distributed as shown in the margin, has been entered under "*Head Office*" to meet the cost of the proposed allowance of Rs. 15 and contingent expenditure of Rs. 2—5—4 per mensem, to the Clerk in charge of the Municipal work in the Sub-Division office. The provision under "*Head Office,*" which accordingly amounts to Rs. 472, is sanctioned.

	Rs.

Mándya ...	25
Channarayapatna ...	26
Melkote ...	25
Total.....	208

6. *Public Works.*—The allotments under the head "Public Works" amounting to Rs. 6,595 as detailed below are approved, subject to estimates and notifications of sanction being submitted to this office in the usual course.

	Rs.
(*a*) Original Works	3,975
(*b*) Repairs, Municipal	2,520
(*c*) Do Educational	100
Total Rs...	6595

It is observed that the Budget Statement No. II, which usually accompanies each budget has not been submitted nor have details of works been entered in the detailed statement.

7. *Education.*—In the budgets of Seringapatam and Mandya, Rs. 300 and 244 respectively have been entered on account of the English classes proposed to be opened in these towns. But no estimate of the fees expected to be realized is given. It is observed that only ¾ths of the cost of such classes is debitable to Municipal funds, which are to be credited with fees realized in them, while the remaining ¼th is payable from Provincial funds. Accordingly, provision for ¾th of the estimated charges

on account of education will be retained in the budgets of these Municipalities, pending the establishment of English classes in them in due course.

8. *Dispensary charges.*—The provision for dispensaries made in the budgets of Seringapatam, Channarayapatna and French Rocks is approved. A sum of Rs. 100 has been entered in this office on account of the newly sanctioned dispensary at Nagamangala.

9. The increases and decreases provided under VII Conservancy as detailed in the margin are approved.

10. *Lighting.*—Besides the usual charges for lighting in the budgets of Seringapatam, Channarayapatna and Nagamangala, a sum of Rs. 80 is entered under the head in the budget of Melkote. This amount is Rs. 23 in excess of the moiety of the cost of lighting in that town debitable to Municipal funds in accordance with the Proceedings of the Dewan No. 3041-2—41, dated 13th August 1884. This increase is passed subject to explanation therefor being furnished.
